

PMC403 - Slat Back Metal Bar Stool

The PMC403 slat back metal restaurant Bar Stool will be an attractive addition to your cafe, coffee house or dining room.

This metal chair has a slat back design, black vinyl upholstered seat and an 18 gauge steel frame with a silver powder coated finish. The welded joint assembly and curved support bar gives the chair great strength and stability. Plastic floor glides protect your floors by sliding smoothly when you need to move the chair.

The slat back metal restaurant bar stool is a durable commercial grade restaurant chair that would also be great for use in your home. Available in black or grey frame with same vinyl upholstered seat color.

Designed for commercial use, but suitable for home use. 500lb weight capacity with heavy steel frame. Includes floor protector plastic glides

- 1 Year manufacturer's warranty for commercial or residential
- Heavy duty 14 gauge all welded steel frame
- Commercial Grade upholstery vinyl
- Features plastic style glides
