

CVSTA4001: Cavaletti Ergonomics and Functionality

Made by Cavaletti

CV4001 Start features modern technologies and finishes, following the evolution of work environments. The Start line is the result of the application of ergonomic and design concepts, with the aim of developing a product for intensive operational areas. The result is a balanced set, with appropriate curvature and dimensions, enhancing productivity and comfort.

- Different upholstery options: Polyester, Grid, Space, CEC-Stilo, and Vinyl.
- Gas height adjustable seat, with options of injected or expanded foam.
- Options of aluminum or nylon bases, with 65mm wheels in nylon or PU.
- Stamped or steel-coated base, only 50mm wheels in nylon or PU. Nylon wheels (for use on carpeted floors) or PU (for use on tiled, hardwood, and rustic floors).
- 4-stage Synchron mechanism with tension regulation by front handle, Backrest Recline System (BRS) or Relax mechanism (with option of backrest height adjustment).
- Available in regular inventory in black.
- Colors available according to inventory, other colors by special order.

All Cavaletti products have a 6-year warranty against factory defects and come with certificates developed through technologies and subjected to rigorous tests and quality controls carried out by the Integrated Management System.
