PM1203 Bar Stool with Plastic Seat

The PM1203 bar stool combines a modern, minimalist design with everyday practicality. Its one-piece ergonomic plastic seat, available in black or white, offers smooth curves that provide comfort and support. The sturdy metal legs add stability and durability, making it ideal for kitchens, bars and commercial spaces. Its clean, contemporary style integrates easily into any environment, while the smooth seat surface allows for quick cleaning and low-maintenance use.
