

## PMHW33S: Solid Wood Y-Shape Arm Wishbone Stool

Iconic Chic Design, with its mid-century, BOHO, farmhouse inspired iconic fashionable Scandinavian design, this solid wood Y-shape arm wishbone stool goes well with any modern or classic-mod theme. Built for superior durability with its contract grade construction, this arm stool features a solid beech wood frame with hand-woven rattan hemp seat for deep comfort.

Wishbone Bar Stool is a masterpiece of craftsmanship - embraces its design and style from the classic 1950's Hans Wegner Wishbone Chair. Constructed with steam-bent solid wood frame and natural rope seat, this bar chair offer relaxed comfort. Wishbone bar stool sits well, is spacious and allows its user to easily change position. The back offers good support and most people feel comfortable in it for longer periods of time.

Suitable for both residential and commercial. This natural wood bar is made in natural Elm wood a pale wood finish showing the grain the warmth of the wood with a contrasting handwoven seat. The wishbone stool is perfect for modern or vintage inspired areas and dining spaces. A contemporary twist on a classic design, this bar stool features elegant sleek lines, a deeply curved back and a distinctive hand woven seat.
