

The Tonnati Table is a detachable square table

Made in Mexico by Aguiplast, the Tonnati Table is a detachable square table designed for both indoor and outdoor use. Its compact footprint and reinforced construction make it ideal for cafes, patios, event spaces, and multipurpose environments where flexibility and durability are key.

Key Features:

- Square tabletop injected in polypropylene (PP) for weather resistance and easy cleaning
- Reinforced with glass fiber for added strength and structural integrity
- Detachable leg system for efficient transport and storage
- UV-resistant and weatherproof - suitable for sun, rain, and outdoor exposure
- Lightweight yet sturdy, built for high-traffic commercial or residential use
- 100% recyclable materials for sustainable sourcing

Dimensions (approximate):

- Tabletop Width/Depth: 31.5 inches (80 cm)
- Height: 29.5 inches (75 cm)
- Weight: 15.4 lbs (7 kg)

Whether you're furnishing a terrace, dining area, or event setup, the Tonnati Table offers a practical, durable solution with clean lines and modular convenience.
