

PMTL4W - Table Base Made of Stamped Steel

PMTL4W is made of stamped steel. This table base is designed for strength and stability. With its easy two-piece construction, this table base will not fracture under heavier weights. It features non-marring adjustable levelers. Supports maximum tabletop size of 30" x 30" (square), 30" (round), or 24" x 30" (rectangle).

Coupled with our selection of tabletops, we're confident you'll find an optimal solution in bar tables here at PM Furniture. When searching for the highest quality and lowest prices on restaurant table bases for sale, we're confident that you'll find our line of bar, counter & pub table bases to be one of the best values you'll find when looking for bases.
